

2018 THREE STONES ESTATE CABERNET

*Three Stones; Heart, Mind & Hand
Balancing in the Moment
Grounded in the Land*

A Toast to Joy, Mother Nature & Family

Following in the footsteps of our 2018 Estate Cabernet, our 2018 Eternity and rarely produced, 2018 Three Stones again prove that 2018 may have been the “Best Vintage in a Decade!”

THE STORY

Three Stones is a tribute to the three generations, who mutually worked, played and appreciated our vineyard property since 1989. This wine is only produced when a single vineyard block stands out while not being an essential ingredient in the Estate Cab or the Eternity. For us, it is always a special wine. We hope you enjoy it!

TASTING NOTES

Three Stones, a storyteller, shares the gifts from the nuanced vineyard block that called it home. Due to the block’s deeper soils, this Cabernet has pronounced layers of rich, long hanging dark fruit flavors, and hints of olive and earth. It is as if, Three Stones’ profile carries all that grows on the property: wild blackberries, walnuts, ancient figs, green olives, and bright French prunes. Plus, its tannins are well integrated while providing the needed structure for this long living beauty. Enjoy from the first chapter right through to its long, joyful finish!

REVIEWS

“Aromas of blackberries, toasted oak, plums and currants with some olives, following through to a full body with round, chewy tannins and toasted oak. Try after 2023.” **James Suckling 94 points**
